Debra A. Hill hereby declares as follows:

1. I am a partner in the Phoenix law firm of Osborn Maledon P.A. and was one of the principal attorneys representing Plaintiffs in this matter. I began working on this case when Osborn Maledon agreed in January 2006 to co-counsel this case with Ted Jarvi and the ACLU National Prison Project ("NPP"). Mr. Jarvi and Mr.

1 David Fathi of the NPP approached me and my partner, Larry Hammond, and asked if  
2 we would be willing to substitute in as counsel for the Plaintiffs, given the imminent  
3 retirement of Alice Bendheim, who had been working on the case on behalf of ACLU  
4 of Arizona. Osborn Maledon agreed to enter its appearance on the case based on our  
5 understanding that NPP would co-counsel the case, ensuring that the team would have  
6 NPP resources and expertise.

7 2. I am familiar with the work performed in this case, and I make the  
8 following statements based on my personal knowledge and based on a review of the  
9 records maintained by my firm in the ordinary course of business.

10 3. I am licensed to practice law in the State of Arizona and have been so  
11 licensed since 1988, when I began practicing at Meyer Hendricks Victor Osborn &  
12 Maledon, the predecessor firm to Osborn Maledon. I am also licensed to practice law  
13 in New Mexico. I concentrate my practice on criminal defense and complex  
14 commercial litigation and have significant experience litigating civil rights cases,  
15 including representation, along with Mr. Hammond, of all inmates housed in  
16 protective segregation at the Arizona Department of Corrections in the case of *John*  
17 *Does v. Terry Stewart*, No. CIV-96-0486 PHX WFN (UAM).

18 4. I received my undergraduate degree, *cum laude*, from the University of  
19 New Mexico and also received my law degree, *magna cum laude*, from the University  
20 of New Mexico Law School.

21 5. Larry Hammond is also a partner at Osborn Maledon. He joined Osborn  
22 Maledon's predecessor firm in 1975 and has worked at the firm since then. Mr.  
23 Hammond received his B.A. and J.D. from the University of Texas. He then clerked  
24 for Judge Carl McGowan, U.S. Court of Appeals, District of Columbia Circuit, and  
25 U.S. Supreme Court Justices Hugo Black and Lewis F. Powell, Jr. Mr. Hammond  
26 focuses his practice on criminal defense, civil rights and commercial litigation. He  
27 has been listed in Chambers USA, *America's Leading Lawyers for Business*,  
28 Litigation: White-Collar Crime & Government Investigations, 2004-08; *The Best*

1 *Lawyers in America*, Commercial Litigation, White-Collar Criminal Defense,  
2 Appellate Law, 1995-2009; Best of the Bar, *Business Journal*, Pro Bono 2005;  
3 *Southwest Super Lawyers*, Top 50 Arizona Attorneys, 2007-08; and *Southwest Super*  
4 *Lawyers*, Criminal Defense: White Collar, 2007-08.

5 6. Sharad Desai is an associate with our firm, who worked on this case and  
6 assisted at trial. Mr. Desai received a B.A., *magna cum laude*, and a B.S., *magna cum*  
7 *laude*, from the University of Arizona. Mr. Desai received his law degree, *cum laude*,  
8 from New York University School of Law. He then clerked for Vice Chief Justice  
9 Rebecca Berch of the Arizona Supreme Court in 2006-2007 before joining Osborn  
10 Maledon as a litigation associate in 2007. After Ms. Meyers (see Paragraph 9 below)  
11 left the firm to move to Seattle, Washington, in 2007, Mr. Desai was the sole  
12 associate at Osborn Maledon assigned to this case.

13 7. Jason Romero is a litigation associate with our firm, who worked on this  
14 case for approximately one year after Osborn Maledon appeared in the case. Mr.  
15 Romero obtained a B.A. from Baylor University and a J.D., *summa cum laude*, from  
16 Arizona State University. He then clerked for Chief Justice Ruth McGregor of the  
17 Arizona Supreme Court. Mr. Romero joined Osborn Maledon in 2005.

18 8. Anne Chapman is a litigation associate with our firm who assisted in  
19 summarizing the jail operations journals. Ms. Chapman received her J.D., *cum laude*,  
20 from Duke University School of Law in 1999. She clerked for Judge Robert Whaley,  
21 U.S. District Court, Eastern District of Washington. Ms. Chapman then spent five  
22 years in the Federal Defenders Office for the Eastern District of Virginia before  
23 joining Osborn Maledon as an associate in 2008.

24 9. Diane Meyers was, but no longer is, an associate with our firm. She  
25 worked on this case for approximately two years after Osborn Maledon appeared in  
26 the case. Ms. Meyers received her B.A., *cum laude*, from the University of Notre  
27 Dame, and her J.D., *cum laude*, from the University of Notre Dame Law School. She  
28

1 clerked for Judge Charles Wilson, 11th Circuit Court of Appeals from 2003-2004, and  
2 then worked as a litigation associate at Osborn Maledon from 2004-2007.

3 10. Patricia Sherrill has been a litigation paralegal with Osborn Maledon  
4 since 1996. She has a degree in criminal justice from Sam Houston State and a  
5 paralegal certificate from Southwestern Paralegal Institute. Ms. Sherrill has 26 years  
6 experience as a paralegal. She worked as a paralegal for a solo practitioner in  
7 Houston, Texas, for five years, and then worked for Snell & Wilmer for 8½ years as a  
8 paralegal in that Firm's civil litigation and products liability groups before joining  
9 Osborn Maledon, where she works as a litigation paralegal. Ms. Sherrill's hourly  
10 rates ranged from \$135-\$155 for the 2006-2008 time period.

11 11. Lori Dickman was, but no longer is, a paralegal with our firm. Ms.  
12 Dickman worked on this case for a short period in early 2006. She obtained a B.A.  
13 and a paralegal certificate, and worked for Osborn Maledon as a litigation paralegal  
14 for ten years. Ms. Dickman's hourly rate in 2006 was \$135.

15 12. Five summer law clerks performed work on this case. Joe Roth  
16 performed legal research projects in the summer of 2006. The remaining four  
17 summer associates performed legal research projects and assisted with expert  
18 inspections at the Jails during the summer of 2008.

19 13. At the time Mr. Roth worked at Osborn Maledon as a law clerk, he was  
20 a second-year law student at Columbia University School of Law. (He has now  
21 graduated from Columbia Law School, and, after a clerkship with Justice Scott Bales  
22 of the Arizona Supreme Court, is now an associate at Osborn Maledon.)

23 At the time they clerked for Osborn Maledon, Spencer Scharff was a  
24 first-year law student at the University of Arizona James E. Rogers College of Law;  
25 John Parsi was a first-year law student at the University of Michigan Law School;  
26 Brandon Hale was a second-year law student at the University of Chicago Law  
27 School; and Beau Roysden was a May 2008 graduate of the University of Arizona  
28 James E. Rogers College of Law.

1 In 2006, Osborn Maledon billed Mr. Roth's time at \$125 an hour. In  
2 2008, Osborn Maledon billed Mr. Scharff and Mr. Parsi (both first-year law students)  
3 at \$110 an hour; Mr. Hale, a second-year student, at \$145 an hour; and Mr. Roysden,  
4 a law student graduate, at \$165 an hour.

5 14. Marci Wright has been employed as a litigation paralegal assistant at  
6 Osborn Maledon and its predecessor firm for the last 20 years. Ms. Wright graduated  
7 from Barat College in Lake Forest, Illinois, and attended the Paralegal Institute in  
8 Phoenix. Ms. Wright's job responsibilities include assisting lawyers and paralegals  
9 on complex litigation and document intensive cases. If Ms. Wright was not employed  
10 by the firm, Ms. Sherrill or another paralegal would do the work performed by Ms.  
11 Wright. Ms. Wright's hourly rate was \$50 in 2007 and \$60 in 2008.

12 15. Brenda Sena is the Network Administrator at Osborn Maledon. She has  
13 a degree from Eastern New Mexico University. She was previously employed as a  
14 Network Engineer Consultant for Hughes Calihan and Kentex, and the  
15 Communications Manager for Phoenix Elementary School District before joining  
16 Osborn Maledon in early 2005. She assisted counsel with the display of the intake  
17 security CDs during Captain Dean's cross-examination. (Because we were unsure  
18 when the cross-examination of Captain Dean would actually occur, Ms. Sena spent  
19 parts of two days in the courtroom waiting to assist Ms. Hill with her cross-  
20 examination.) Her hourly rate is \$150.

21 16. All of the attorneys, paralegals and other staff identified here are highly  
22 competent, qualified and experienced in litigation and their services were vital to the  
23 successful preparation of Plaintiffs' case.

24 17. Plaintiffs seek to be reimbursed for attorneys' fees of \$587,346.85 and  
25 for non-taxable costs of \$75,657.85 that have been incurred by Osborn Maledon in  
26 opposing Defendants' Motion to Terminate. An Itemized Fee Entry and Non-Taxable  
27 Cost Report is attached to this Declaration as Ex. 1. The supporting documentation  
28

1 for all of the non-taxable costs (other than photocopying and CD and DVD copies,  
2 which are addressed below) is attached as Ex. 2 to this Declaration.

3 18. Because the fees and costs attached are those incurred only through  
4 December 5, 2008, additional time and costs will be incurred in relation to this matter  
5 between December 5 and the time that we file our reply memorandum in support of  
6 our motion for fees and costs. We will provide the Court with any supplemental fees  
7 and costs at the time we file the reply memorandum. In addition, as additional fees  
8 and/or costs are incurred in connection with this case, Plaintiffs anticipate providing  
9 the Court with supplemental requests. Finally, as we noted in our original motion for  
10 attorneys' fees and costs, to the extent that the Clerk does not tax any of our proposed  
11 Taxable Costs, we will also include those additional costs as part of the supplemental  
12 requests included in the reply memorandum.

13 19. The amount of fees and costs being requested by Osborn Maledon  
14 represents the amount incurred in the preparation for the hearing on Defendants'  
15 Motion to Terminate, which ultimately occurred in August and September 2008. As  
16 this Court has noted, this case has been pending for more than seven years. After  
17 Osborn Maledon made an appearance in the case, our firm bore primary responsibility  
18 for drafting and filing motions in the case, communicating with opposing counsel, and  
19 interviewing and communicating with class members. (At the time Osborn Maledon  
20 made its appearance in the case, Mr. Fathi had already prepared a very early draft of  
21 the Omnibus Motion that was ultimately filed in May 2006. However, both Ms. Hill  
22 and Mr. Fathi spent time revising and updating the Omnibus Motion before it was  
23 filed.) Once the case was assigned to this Court and a hearing date set, Osborn  
24 Maledon and the ACLU National Prison Project informally divided the areas that each  
25 firm would be responsible for at trial. Osborn Maledon agreed to handle the issues  
26 related to the Sheriff, and the NPP was responsible for the medical and mental health  
27 care issues. Because the case was located in Phoenix and the NPP did not have an  
28 available paralegal, Osborn Maledon has always had the primary administrative

1 responsibility for the case. All of the documents in the case were maintained at  
2 Osborn Maledon and all of the paralegal work on the case was done by Osborn  
3 Maledon paralegals and paralegal assistants.

4 20. The requested amount reflects the billing rate for each non-lawyer over  
5 the course of the litigation. (The specific time entries shown in Ex. 1 reflect the then-  
6 current hourly rate for each time entry.) With respect to lawyers, the requested  
7 amount reflects an hourly rate of \$169.50, the maximum amount permitted under the  
8 Prison Litigation Reform Act, 42 U.S.C. § 1997 e(d)(3).

9 21. My billing rate was \$310 per hour in 2006; \$350 per hour in 2007; and  
10 \$375 per hour in 2008. Mr. Hammond's hourly rate was \$400 in 2006, \$425 in 2007,  
11 and \$500 in 2008. I am familiar with rates normally charged in the Phoenix  
12 community by lawyers, law clerks and paralegals of comparable experience,  
13 performing similar services, as the result of my general experience of years of practice  
14 of law and my previous experience in civil rights cases, class actions and as  
15 administrative counsel in a federal death penalty case. It is my professional opinion  
16 that my rates and the rates charged for the other attorneys, law clerks, paralegals and  
17 other staff in our firm are reasonable, and that they are generally in accordance with  
18 the rates charged by other professionals in this market and community with similar  
19 experience and education. *See also* the Declaration of Michael Manning, attached as  
20 Ex. 3; Declaration of Lee Stein, attached as Ex. 4; and Declaration of Barry Mitchell,  
21 attached as Ex. 5.

22 22. With respect to photocopies, Osborn Maledon's normal business  
23 practice and internal system requires that each copy made be manually assigned an  
24 internal client number. The firm's policy also dictates that only copies related to this  
25 case utilize the internal client number assigned to the case. The firm bills clients for  
26 photocopies at 20¢ per page. The firm also bills 50¢ per page for color copies and  
27 30¢ per page for color prints. We charged 985 color copies and 14 color prints in this  
28 case, for a total of \$496.70 for color copies and prints.

1           23. In our Bill of Costs, I advised the Court that the firm copies were billed  
2 at a rate of 10¢ per page. This was an error on my part. The copying charges shown  
3 on Ex. 1 reflect the total cost of all copies at the firm rate of 20¢ per copy, less the  
4 \$6,225.60 requested in our Bill of Costs.

5           24. In addition, the firm charges \$10 per CD for CD duplication and \$35 per  
6 DVD for DVD duplication. We made 96 CD and 22 DVD copies, for total charges of  
7 \$960 and \$770, respectively. For the most part, these were CD and DVD copies of  
8 discovery provided to us by the Defendants, which we then provided to our four  
9 experts. Clearly, all experts did not receive all of the discovery CDs, but we needed  
10 to provide copies of virtually all of the CDs and DVDs provided by Defendants to at  
11 least two of our experts. At the time each CD or DVD copy was made at the firm, the  
12 assigned case number was entered into our system, therefore ensuring that this case  
13 was properly billed for these charges.

14           25. Osborn Maledon P.A. uses a computerized billing system called CD  
15 Tracker. The Itemized Fee Entry Report (attached as Ex. 1 hereto) details the time  
16 that was spent by Osborn Maledon lawyers and staff in connection with the  
17 representation of Plaintiffs in this case. The Bill of Costs, previously filed, details the  
18 taxable costs incurred in connection with the representation of Plaintiffs, and the  
19 Itemized Non-Taxable Cost Report (included as part of Ex. 1 attached hereto) reflects  
20 all other costs incurred by Osborn Maledon in the matter that would have normally  
21 been billed to a paying client. I have reviewed these documents. The Itemized Fee  
22 Entry and Non-Taxable Cost Report is derived from the billing system used by  
23 Osborn Maledon and are the result of time and charges entered on a daily basis  
24 regarding Osborn Maledon's representation of Plaintiffs. The Fees Report reflects the  
25 work that each member of my law firm maintained on a daily basis and reflects the  
26 work that each member of my law firm spent on a particular matter. Each member  
27 enters time on a daily basis subsequent to performing each task relating to that matter.  
28 Time is billed in increments of 1/10th of an hour. This practice and procedure is

1 standard to our firm and is within its normal business operations. The other records  
2 for costs are also records kept in the normal course of business.

3 26. In my professional opinion, the costs, legal services performed in the  
4 litigation of this case, and the legal fees charged are reasonable and necessarily  
5 performed, and represent a reasonable fee for those services under the circumstances  
6 of this case.

7 27. I have reviewed the Osborn Maledon time and charges and am satisfied  
8 that the time included in the Fee Report is necessary, and neither duplicative nor  
9 unnecessary. I have reduced the bill by \$932.05, which represents 4.9 hours incurred  
10 by me and .70 hours incurred by paralegal Tricia Sherrill relating to media contacts. I  
11 have also reduced the billing records by an additional \$880 for the time spent by our  
12 summer clerk, Mr. Parsi, in observing the first day of the hearing. I have also  
13 reviewed the time records for entry errors and have corrected all errors I found.

14 28. I have also reviewed the non-taxable costs and satisfied myself that the  
15 costs are reasonable and necessary.

16 29. On July 17, 2008, three weeks prior to the beginning of the hearing,  
17 Plaintiffs proposed to Defendants to settle the case through an agreement to appoint a  
18 medical/mental health care and a corrections monitor for a period of two years, with  
19 quarterly reports to counsel and the Court. Plaintiffs received absolutely no response  
20 to the settlement offer from Defendant Arpaio; apparently counsel for the Board  
21 Defendants met with the Board in early August and the Board rejected the settlement  
22 offer.

23 30. Osborn Maledon's *pro bono* program was severely strained as a result  
24 of incurring such a large amount of *pro bono* fees in one fiscal year. This case  
25 required virtually full-time work by me and Sharad Desai over a period of four  
26 months, and Tricia Sherrill, our paralegal, worked for more than two months full-time  
27 on the case. As a result of the very significant outlay of *pro bono* hours during  
28

1 Osborn Maledon's 2008 fiscal year (which ended October 31, 2008), the firm's 2009  
2 *pro bono* budget has been significantly curtailed.

3 DATED this 18<sup>th</sup> day of December, 2008.
